Session: Leisure and cultural diversity

Leisure: the basis of culture, that is to bring us freedom spirit and aesthetics ideal, and for us to insert the wings of flight. The different countries and nations have created enrichment and color cultural life and also fruited a landscape of "harmony, but difference" in the world. The human's history of civilization tells us: Leisure has played an immeasurable role in promoting cultural diversity. We embrace leisure and cultural diversity and make our life more fantastic.
